Referral for Free Shopping

This referral form should be printed, completed and signed by the referring agency/church and given to the family to bring to our Center.

Upon their arrival at our Center, they will present the referral to our desk worker and their 12-month period of free shopping begins.

Our desk worker will explain our policies for shopping once every three months to accommodate weather changes & growth patterns. They will also provide our guidelines on how to shop for each member of their family. Our motto is: 'take what is needed instead of what is wanted' to help accommodate the 300 families that shop each month.

Thank you for partnering with us on providing clothing and household items to people in-need.
